

Goodwill Impacts Lives In Walworth County!

Goodwill's Southeastern WI Territory

Our Mission

Our mission is to provide training, employment and supportive services for people with disabilities or disadvantages who seek greater independence.

Our Impact

For more than 100 years, Goodwill Industries of Southeastern Wisconsin and Metropolitan Chicago has served our communities during some of the hardest times in our country's history – a commitment we continued during the global health pandemic and social unrest addressing systemic racism. As we navigate these unprecedented times, Goodwill is unwavering in our commitment to a safe, sustainable and equitable experience, especially for our front-line employees who provide essential goods and services to the community.

We remain focused on our mission working to deepen our impact through service delivery and community engagement. We work with partners across two states and 23 counties to help people looking to find jobs, build skills, and progress in their life and careers.

Community Partnership: Side by Side, Inc.

At Goodwill, we believe in the Power of the Whole community working together to provide a “hand up” to support individuals with emergency needs in trying times.

We partner with [Side by Side, Inc.](#) to uplift those facing financial hardships such as a local family that needed financial assistance with rent, gas and items for their children. As part of our Goodwill Cares Community Assistance program, we provide vouchers

to Side by Side, Inc. to distribute to people in the community for the purchase of clothing and household items at a Goodwill Store & Donation Center. Our partnership helped Side by Side, Inc. purchase much-needed clothing, books and games for the local family in need.
