

Goodwill Impacts Lives In Washington County!

Goodwill's Southeastern WI Territory

Our Mission

Our mission is to provide training, employment and supportive services for people with disabilities or disadvantages who seek greater independence.

Our Impact

For more than 100 years, Goodwill Industries of Southeastern Wisconsin and Metropolitan Chicago has served our communities during some of the hardest times in our country's history – a commitment we continued during the global health pandemic and social unrest addressing systemic racism. As we navigate these unprecedented times, Goodwill is unwavering in our commitment to a safe, sustainable and equitable experience, especially for our front-line employees who provide essential goods and services to the community.

We remain focused on our mission working to deepen our impact through service delivery and community engagement. We work with partners across two states and 18 counties to help people looking to find jobs, build skills, and progress in their life and careers.

Community Engagement: Acts of Goodwill in Washington County

Goodwill believes in the Power of Work and the Power of the Whole community working together. We remain committed to providing training, employment and supportive services where the need is greatest.

To celebrate our Centennial, 247 Goodwill employees created over 100 Acts of Goodwill across the communities where we operate. Our employee volunteers engaged with

community partners to help address barriers to work for job seekers and to support the workforce of the future. Employee volunteers served individuals facing barriers to work at 43 partner organizations across our territory.

Our employees volunteered at [Family Promise of Washington County](#), an organization that provides resources and services that prevent and end homelessness, where they provided meals for families in need during the holiday season.
